

# ENVIRONMENT POLICY STATEMENT

**At Image our mission is** to ensure delivery of projects are on time and on budget with no sacrifice to the quality of workmanship, the health and safety of all involved and environmental impact of every project we work on.

## Our Commitment

IMAGE is committed to undertaking its' operations in a manner that recognises the importance of environmental protection and sustainability. It attempts to minimise any adverse environmental effects and strives to be an industry leader in environmental performance by:

- ▶ Ensuring all IMAGE work sites deliver completed projects on time and on budget while **safe guarding and protecting** the environment
- ▶ **Complying** with all applicable laws, regulations and statutory requirements relating to environmental matters
- ▶ **Managing environmental issues** in accordance with any client requirements, policies and procedures and industry standards and guidelines
- ▶ Applying waste minimisation principles and taking all practicable steps to **prevent pollution** and other adverse effects from IMAGE operations
- ▶ **Educating and training** the company's employees to continually improve awareness, skills and knowledge of environmental issues and practices
- ▶ Identifying, investigating and satisfactorily resolving all **environmental non-compliances** as part of a drive for implementing effective management of environmental outcomes
- ▶ Maintaining up-to-date environmental objectives and targets as required as part of a **drive for continuous improvement**
